

Allocating Funds for the NPS

Name: _____

Allocating Funds for the NPS by Amount of Visitors (Monday 10/31/16)

Total Visitors in 2014 for All National Parks	
Total Funds for NPS	
Amount of Funds per Visitor (Unit Rate)	

Top 3 Parks with the ***Most Visitors*** in Ascending Order (largest first)

Name of National Park	Amount of Visitors in 2014	Allocated Funds
1.		
2.		
3.		

Name of National Park	Amount of Visitors in 2014	Allocated Funds
Rocky Mountain National Park		

Bottom 3 Parks with the **Least Visitors** in Ascending Order (largest first)

Name of National Park	Amount of Visitors in 2014	Allocated Funds
1.		
2.		
3.		

Make a list of Pros and Cons to help you decide if National Parks should receive funds based on the amount of visitors for each park. You need to come up with at least 3 reasons for each list. Each person should look through their lens that they choose (Conservationist, Financial, Political, & Maintenance/Tourism).

Pros (Positive)	Cons (Negative)
<ul style="list-style-type: none"> ● ● ● ● ● 	<ul style="list-style-type: none"> ● ● ● ● ●

Based on your list of Pros and Cons, do you think that allocating funds based on the amount of visitors each year would be a good way to allocate funds for the National Park Systems? Explain why or why not.
